CASE NUMBER:

**STIPULATION RE: SERVICE OF
 PROCESS UPON AND APPEARANCE
 BY DEFENDANT SALLY NEWELL;
 ORDER THEREON**

The parties to this litigation do now stipulate and agree as follows:

1. Pursuant the Court's Order on the Plaintiff's Motion to Compel Disclosure, Watsonville Community Hospital (hereinafter WCH) disclosed that Defendant Jane Doe is Sally Newell, a Licensed Vocational Nurse employed by WCH.
2. Plaintiff has not yet accomplished service of summons and complaint upon Defendant Sally Newell, however the attorneys representing WCH Defendants in this cause are authorized to accept service on behalf of Sally Newell.

3. In order to save the time and expense of accomplishing service of process on Sally Newell and of filing a separate responsive pleading on behalf of Sally Newell, the parties agree that effective the date of their execution of this Stipulation, Defendant Sally Newell will have been served with summons and complaint, and that the Court shall construe that Sally Newell was included as a moving party in the initial Motion to Dismiss and Motion to Strike filed by WCH Defendants; and to that extent Defendant Newell is relieved of any further obligation to file an initial responsive pleading.

IT IS SO STIPULATED.
